upon which relief can be granted pursuant to the Federal Rules of Civil Procedure. The following independent, yet interrelated, grounds support such relief: (1) As a matter of comity and abstention, the U.S. District Court should defer to the State Court¹ that has assumed jurisdiction and made rulings. The State Court ordered from the Bench on May 4, 2023, that the effectiveness of HB 1020 be stayed. Issue has been joined in the State Court which has further set hearings for Wednesday, May 10, 2023. The State Court's bench ruling denied Plaintiffs' preliminary injunctive relief concerning Miss. Code Ann. section 9-1-105. The State Court ordered that the Chief Justice's Motion to Dismiss based on judicial immunity be heard first on May 10, 2023; (2) The Chief Justice is not a proper party since there is no "case or controversy" with respect to the Chief Justice, as he lacks a sufficient interest to be deemed an adverse litigant in this matter; (3) the Chief Justice is entitled to judicial and sovereign immunity; (4) public-policy considerations to secure fair, just and timely determination of every proceeding. See M.R.C.P. 1.

The Courts of Mississippi seek to promote justice, uniformity, and efficiency and to eliminate unjustifiable delay and expense and to protect the rights of individuals while protecting the public. *See* Miss.R.Crim.P. 1.2, also *see* Miss. Constitution Art. §§3, 24, 26, and 26A. Case precedent, federal and state, statutes, Rules of Court, the Code of Judicial Conduct, and the Constitutions of the United States and Mississippi overwhelmingly favor his dismissal.

Respectfully submitted, this the 4th day of May, 2023.
